

Instructions for entering The Burn Foundation Chat Room

First you must have Java installed on your computer, Java setup can be found in the **Setup instructions for The Burn Foundation Chat Room** on the **Online Moderated Chat** page

Step 1

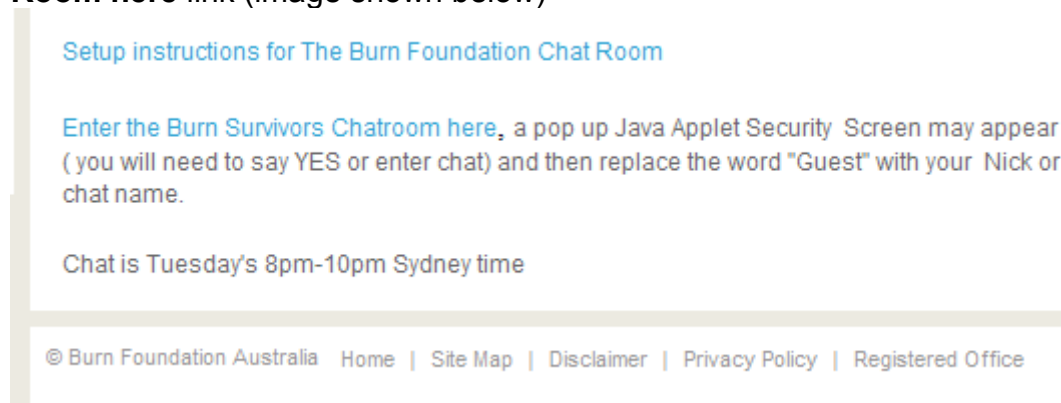

Click on the **Online Moderated Chat** link as shown on the Burn Foundation Home page (image shown below)

The screenshot shows a portion of the Burn Foundation website. On the left, there are several article teasers with 'read more' links. The main content area features a 'FIREWISE Partner' logo, the text 'ONLINE MODERATED CHAT', and a paragraph describing the chat service: 'Burn Foundation of Australia provides moderated chats as an online meeting... survivors, family and friends come for peer support, camaraderie, and socialise... a genuine interest in burn injuries, burn injury recovery, fire prevention and fire f... welcome. Our chat room is open on Tuesday Nights between 8.00pm and 10.0... Eastern Standard Times)'. Below this is a 'User Login' form with input fields for email and password, and a 'SUBMIT' button.

Step 2

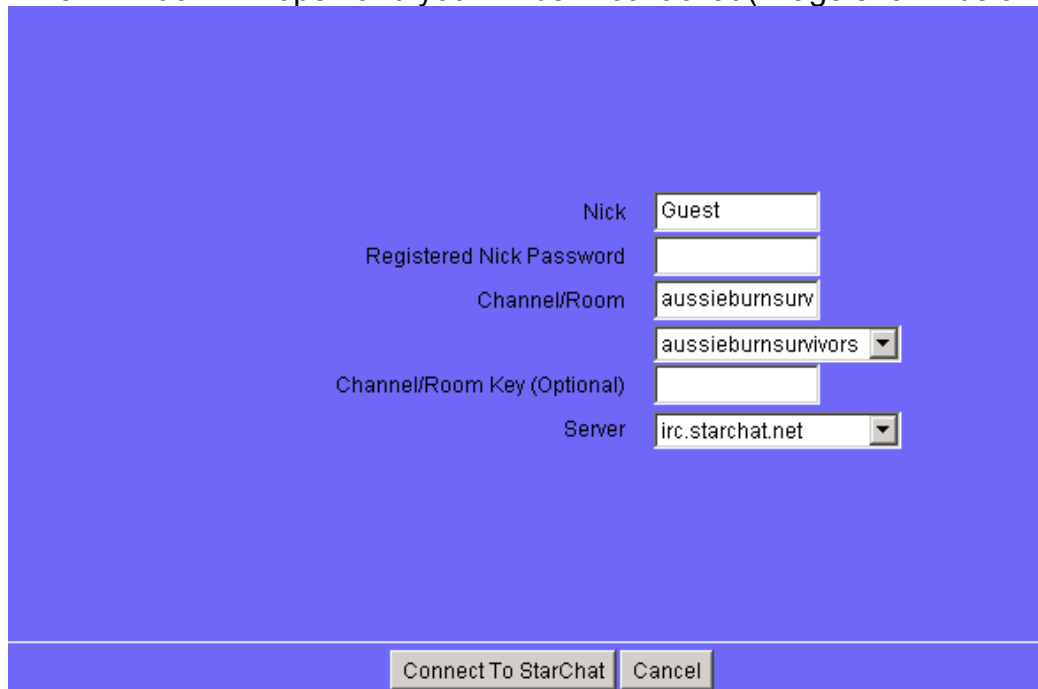

A new window will open and click on the **Enter the Burn Survivors Chat Room here** link (image shown below)

The screenshot shows a page with the following content: a blue link 'Setup instructions for The Burn Foundation Chat Room', a paragraph 'Enter the Burn Survivors Chatroom here, a pop up Java Applet Security Screen may appear (you will need to say YES or enter chat) and then replace the word "Guest" with your Nick or chat name.', and a line of text 'Chat is Tuesday's 8pm-10pm Sydney time'. At the bottom, there is a footer with the text '© Burn Foundation Australia Home | Site Map | Disclaimer | Privacy Policy | Registered Office'.

Step 3

A new window will open and you will be in Javachat (image shown below)

The image shows a dialog box for connecting to StarChat. It has a blue background and contains the following fields:

- Nick: Guest
- Registered Nick Password: (empty)
- Channel/Room: aussieburnsurv
- Channel/Room Key (Optional): aussieburnsurvivors (dropdown menu)
- Server: irc.starchat.net (dropdown menu)

At the bottom, there are two buttons: "Connect To StarChat" and "Cancel".

Step 4

You need to change the name **Guest** to **Your Name** eg Grazi – Karen etc (this is very important as we would like to know who we are talking too. Then all you have to do is click on the **Connect To StarChat Button** (shown in image above)

Step 5

You will get a prompt box like the one shown below, click on the **Unblock** button and the program will load and you will be in the Chat Room

Step 6

Click on the **Quit** when you are finished chatting
